

Jubilee Park Academy and Summer Hill Primary
Parent Consultation Meeting Notes
Wednesday 7th December 3.45pm.

Staff present:

Miss Rochester (Executive Head teacher)
Mrs Lloyd - Davis (Deputy Head teacher Summerhill)
Mrs Rich (Deputy Head Teacher Summerhill)
Mrs Kumar (Head of School Jubilee Park).

Parents present:

1 parent from Summerhill Primary
1 parent from Jubilee Park Academy.

KR welcomed both parents and thanked them for their attendance. A copy of the mid-point Q and A letter was provided to each parent.

KR then outlined the reasons for the change in the structure of the day and the benefits, then asked both parents if there were any further questions or queries.

The parent from JP stated that her questions had been answered in the Q and A letter, however sought clarification on a point made within the consultation letter - linked to the following point ... to bring both Jubilee Park Academy's and Summerhill Primary School's start and end times in line.

The parent from JP stated that JP already ended its school day at 3.30pm. KR clarified this by informing her that Summerhill does not currently finish at 3.30pm.

The parent from JP then stated that she found it offensive she needed to prove that she worked. KR stated that it was not the school's intention to offend parents, however explained the reason why this evidence was necessary.

The SH parent asked if individual circumstances would be taken into consideration for each family. KR stated that they would be and that both schools had already done this for parents that had approached them.

The JP parent asked how soon she needed to provide the evidence that she was a working parent. KR requested this information before the end of the Christmas break if possible.

As there were no further questions, the meeting ended at approximately 4.15pm.
