June Newsletter

It is lovely to see that the weather is improving! Please can I remind parents to follow our sun safety tips to ensure that all of our pupils can be safe in the sun!

Tips listed below:

- Ensure your child brings a cap or hat.
- Apply sun cream to your child before they come to school.
- Water—in a school water bottle.

As per our refurbishment plan, we have now resurfaced the Early Years playground. We hope that parents like the improvements we are making around the school!

Well done

Well done to our year 1 pupils who have all taken part in the phonics screening check this month. The results of any tests for pupils in years 1, 2 or 6 will be shared with parents as part of the annual reports later this half term.

I have also been very impressed with Nursery's Jack and the Beanstalk work! Well done Nursery! Come and have a look at our display in the main entrance.

Coaching and Mentoring at Jubilee Park

At Jubilee Park we have introduced a coaching and mentoring programme for our staff to support our aspiration to achieve consistently outstanding teaching and learning across the school.

We have invested time in coaching as an important tool in driving teachers to become more reflective and play a key role in their own professional development.

This supports teachers to raise the level of challenge and achievement in their classrooms, in order that all students are able to make significant and excellent progress.

The coaching and mentoring process underpins our ethos and commitment to our staff and their development, as well as placing learning at the core of our school. The process has had a positive impact on both staff and pupils up to this point and we look forward to embedding this even further in the future.

Inset Days for September 2017–2018

You will be pleased to know that the Governors and Senior Management have decided to add the '5' inset days we are entitled to use through the year onto another half term.

For the next academic year the '5' days will be added onto May half term — this gives you as parents more flexibility whilst booking holidays and hopefully improve our attendance!

May Half term 2018

Break up Friday 18th May and return on Monday 4th June.
