

# Jubilee Park Academy Sports Premium Grant Expenditure Report to governors: Planned spending for 2015/16

---

## Overview of the school 2015/16

<b>Total amount received:</b>	
Total number of pupils on roll	<b>218</b>
Total amount received	<b>£8,805</b>
Amount spent	<b>Contribution towards total cost of Evolve Sports Mentors x4 days</b> Approx. £22,000

## PE and sport premium for primary schools

The government are spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016. They will allocate this extra funding directly to primary headteachers.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the [School Games](#)
- run sports activities with other schools

## Accountability

Since September 2013, [Ofsted inspections](#) report on PE and sport provision and on how schools will spend their additional funding.

We also have to account for how we have spent our PE and sports grant by publishing details on our website.

The Sports Premium allocation for the year 2014/15 is £8805

The funding has been used towards funding a full time trained Sports Coach to work within the school.

### **Summary of spending 2014/15.**

- Increased number of after school clubs. Clubs increased from 2 clubs per week in 2013/14 to 7 clubs per week plus extended schools in 2014/15.
- Professional PE teachers led a range of PE sessions. Teaching of PE was observed by class teachers to further develop their own skills. This then resulted in team-teaching and now has resulted in staff teaching PE sessions independently (support by a PE specialist will be provided for NQTs this year).

<b>Targets set for 2015/16</b>	<b>Impact</b>
1. Provide a variety of sports clubs to increase health and fitness across the school. Identify G and T pupils and increase challenge to develop skills.	x4 sports clubs provided weekly – led by qualified sports mentor. In addition x5 extra-curricular themed activities provided during daily extended club. Parent and pupil questionnaires conducted half termly to ensure that clubs met pupils' interests and needs. G and T pupils identified within these clubs and bespoke coaching and support provided.
2. Training for new teachers to deliver good or better PE.	Training planned and delivered to support identified teachers with the delivery of PE, through a cycle of observing, team-teaching and independently teaching – this will continue next academic year for teachers new to the school.

### **Plans for 2016/17**

Liaise with local schools to organise competitions and tournaments.

Training for new teachers to deliver good or better PE.
