Total amount received:	
Total number of pupils on roll	218
Total amount received	£8,835.42
Amount spent	Contribution towards total cost of Evolve Health Mentors x4 days Total £23,400

PE and sport premium for primary schools

The government are spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016. They will allocate this extra funding directly to primary headteachers.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Accountability

Since September 2013, [Ofsted inspections](#) report on PE and sport provision and on how schools will spend their additional funding.

We also have to account for how we have spent our PE and sports grant by publishing details on our website.

The Sports Premium allocation for the year 2016/17 is £8835.42

Summary of spending 2015/16.

Objective	Impact
Provide a variety of sports clubs to increase health and fitness across the school. Identify G and T pupils and increase challenge to develop skills.	49 pupils attended sports clubs during 2015-16. This figure has increased from 2014-15 when 10 pupils attended the clubs provided. 4 sports clubs a week provided by qualified health mentor. Parent and pupil questionnaires conducted half termly to ensure that clubs met pupils' interests and needs. G and T pupils identified within these clubs and bespoke coaching and support provided.
Training for new teachers to deliver good or better PE.	x2 teachers identified and supported through joint planning and team-teaching. By the end of the year, teachers were planning and delivering challenging PE sessions to promote progress in physical development.

Objectives set for 2016/17	Success criteria
1. Continue to provide a variety of sports clubs to increase health and fitness across the school. Identify G and T pupils and increase challenge to develop skills. Led by Evolve health mentor.	<ul style="list-style-type: none"> Continue to send out half termly questionnaires so that parents and pupils can select the after school sports clubs. x4 sports clubs to be offered weekly and changed half termly.
2. Increase the number of sports clubs by introducing lunchtime sports activities led by Evolve health mentor.	<ul style="list-style-type: none"> Offer additional sports clubs at lunchtimes (x4 per week) led by qualified health mentor. Health mentor will work alongside LS staff to develop their skills and knowledge during lunchtimes in order for them to lead sports club independently.
3. Training provided by Evolve health mentor for new teachers to deliver good or better PE.	<ul style="list-style-type: none"> Health mentor to work alongside x1 NQT and x1 new member of staff to plan and deliver PE lessons each term. These teachers will then be observed the following term to assess strengths and next steps. Health mentor will support individual needs of staff.
4. Evolve health mentor to liaise with local schools to organise competitions and tournaments.	<ul style="list-style-type: none"> Health mentor to arrange tournaments for pupils who attend after school sports clubs. Tournaments to be arranged termly.
