

Jubilee Park Academy Sports Premium Grant Expenditure Report to Governors: Planned spending for 2017/18

Total amount received:	
Total number of pupils on roll	206
Total amount received	£17,610
Spending Plan:	Evolve Health Mentors x2 days = Total £12,000. 1 full day of sport coach to deliver PE lessons to groups of pupils = £8000.

PE and sport premium for primary schools

Schools with primary-age pupils receive PE and Sport Premium funding based on the number of pupils in Years One to Six. Currently at Jubilee Park Academy we receive £17,610 including an additional payment of £10 per pupil between the ages of 5 and 10 years old. The money has been provided to enable schools to make additional and sustainable improvements to the quality of PE and sport they offer.

Physical Education and Sport are an essential part of school life at Jubilee Park Academy. Over the last 12 months we have been looking carefully at how we can improve the PE curriculum and the provision we offer our children. We encourage all children to have an active lifestyle and take part in school clubs, competitions and events.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in sport activities
- run sports activities with other schools.

Accountability

Since September 2013, [Ofsted inspections](#) report on PE and sport provision and on how schools will spend their additional funding.

We also have to account for how we have spent our PE and sports grant by publishing details on our website.

**Summary of spending - The Sports Premium allocation for the year 2016/17 is
£8835**

Objective	Impact
1. Continue to provide a variety of sports clubs to increase health and fitness across the school. Identify G and T pupils and increase challenge to develop skills. Led by Evolve health mentor.	Half termly questionnaires sent to parents and pupils to select after school sports clubs. 42 pupils attended sports clubs during 2016-17. G and T pupils identified within these clubs and bespoke coaching and support provided.
2. Increase the number of sports clubs by introducing lunchtime sports activities led by Evolve health mentor.	Lunchtime sports clubs successfully introduced and embedded in 2016/17. x3 clubs a day offered during lunchtime 4 days a week compared to 0 clubs offered in 2014-15. Sports clubs based on pupil preferences.
3. Training provided by Evolve health mentor for new teachers to deliver good or better PE.	<ul style="list-style-type: none"> Health mentor worked alongside 4 teachers to plan, model and team-teach PE lessons. This supported the development of their PE teaching skills and subject knowledge. Observations conducted in summer term graded PE teaching as good.

Objectives set for 2017/18	Success criteria
1. Specialised sports to be provided by coaches.	<ul style="list-style-type: none"> Make further links with Evolve and Sandwell Leisure Trust to provide pupils the opportunity to be taught a range of sports by specialised sports coaches (rugby, golf, tennis etc). Provide further experience for pupils to be taught by subject specialists which will enhance their skills further.
2. Training provided by Evolve health mentor for NQTs to deliver good or better PE.	<ul style="list-style-type: none"> Health mentor to work alongside x1 NQT and x1 new member of staff to plan and deliver PE lessons each term. These teachers will then be observed the following term to assess strengths and next steps. Health mentor will support individual needs of staff.
3. Evolve mentor to develop independence of pupils in Yrs 4 and 5 linked to sports activities.	<ul style="list-style-type: none"> Through a buddy system, Evolve health mentor to support pupils in Yr 4 and 5 to lead sports activities for younger pupils. Pupils in Yrs 4/5 to conduct a whole school survey to establish which sports games pupils in Yrs R-3 are interested in. Health mentor to train/model good practice to pupils who in return will model to pupils in Yrs R-3.
